Little Rock, Arkansas 72201

Dear Chairman Miller and the Members of the Medical Marijuana Commission:

It is my understanding the commission will be considering a request from Greenlight, Inc., a medical marijuana dispensary, to relocate to the City of Jacksonville. The relocation from Little Rock to Jacksonville keeps the dispensary in the same county. I join the City of Jacksonville's leaders in voicing my support for the request and the location of a medical marijuana dispensary in Jacksonville.

I ask for your serious consideration in approving the request by Greenlight, Inc. Thank you for your time and attention to this matter. If you have any questions, please feel free to contact me.

Respectfully,
