Arkansas Medical Marijuana Commission  
Alcohol Beverage Control Board  
101 East Capitol Avenue, Suite 401  
Little Rock, Arkansas 72201

Dear Chairman Miller and the Members of the Medical Marijuana Commission:

It is my understanding the commission will be considering the placement of a medical marijuana dispensary. I join the area residents and community leaders in voicing my opposition to the location of a medical marijuana dispensary in the City of Cabot. I have heard from city leaders, area businesses and industry leaders, and there are concerns regarding the negative impact a dispensary could have.

I ask for your serious consideration in denying the location of a medical marijuana dispensary in the City of Cabot. Thank you for your time and attention to this matter. If you have any questions, please feel free to contact me.

Respectfully,
